“Attraction to Service”

1. How can we attract people, especially young ones, to get involved in service?

2. How can we use tradition 5 to mentor members into service?

3. How do we fulfill concept 1 (Final responsibility and ultimate authority for AA world should always reside in the collective conscience of our whole fellowship)?

4. How do we take our own inventory as 12 Step members of AA to understand why people are not attracted to service?
