MOTION NUMBER 2

DATE: May 26, 2021

SUBMITTED BY: Bob F **2ND BY:** Mike B

POSITION: DCM for District 20 **POSITION:** Alternate DCM for District 20

MOTION: To change the current District 20 boundaries to include Smoky Lake, and the village of Waskatenau please see the attached drawing detailing the changes in the District 20 boundaries.

HISTORY OR CURRENT PRACTICE: The Grumpy Old Folks Group located in Smoky Lake moved from District 3 to District 20 via motion at the September 2019 assembly. They are the only registered group in Smoky Lake and there are currently no registered groups in Waskatenau"

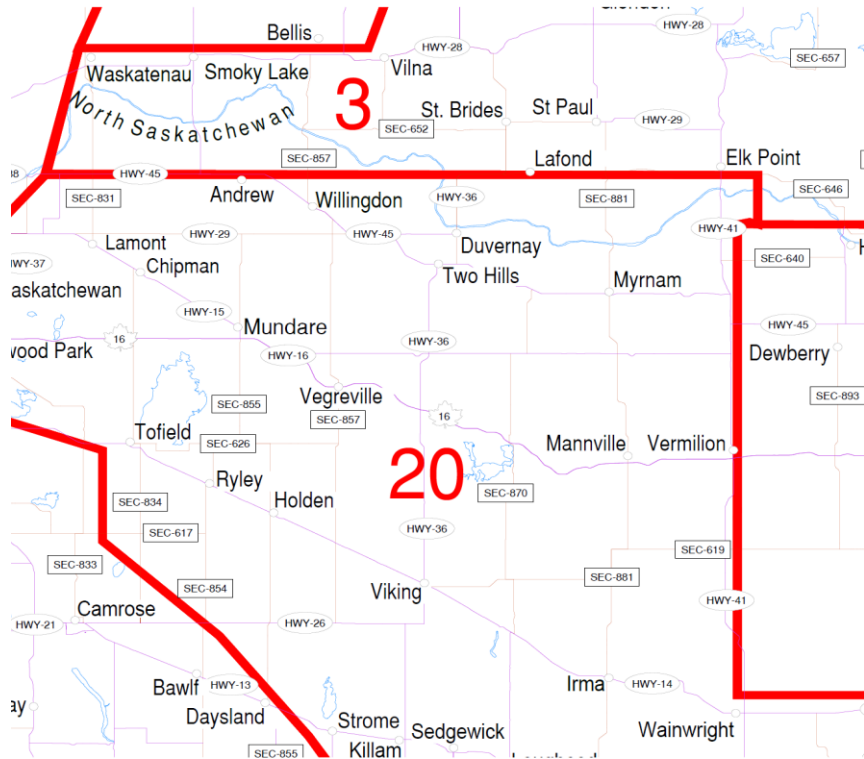

District 20 has prepared a map (see attached), held phone conversations with the affected district’s DCM who contacted all her GSRs about this change. The DCM and GSRs of District 3 responded that they “Are in agreement with the rezoning. It’s much simpler and easier for all.” The GSR’s at a District 20 meeting voted in favor of this redistricting plan as well. Having the Smoky Lake Group being part of District 20 but not geographically in District 20 is problematic.
